### **SUBJECT: ADULTS ENROLLED IN DAY OCCUPATIONAL EDUCATION CLASSES**

Requests from a school district, from a public agency, or from an individual adult for admission of an adult into a day-time occupational education program will be considered. Criteria to be applied are available slots, admission educationally advisable and that the admission not be contrary to Education Law. The responsibility for determining whether any given individual or group should be enrolled with high school students rests with the Occupational Education Building Principal.

All procedures for enrollment, payments, accounting, and reporting of adult students will be in accordance with the regulations of the Bureau of School District Organization.
